

How to measure your glove size:

To ensure a proper fit:

- Measure your hand with a tape measure around the knuckles of your hand (indicated by the red line in the illustration on your right).
- Measure your dominant hand - the right if you are right-handed, and the left if you are left-handed.
- Band Shoppe's gloves are "Unisex". Any unisex items like gloves use men's sizing. Women generally wear a small or medium and men generally wear a size large or extra large. See chart below to estimate your size.
